We do not assert a cure for every malany to which the human family are subject, but what we proclaim we can substantiate by living witnesses. The Ambrowal Oil is a Nashville preparation, and sold throughout the South and Southwest by all good druggists and general doubers. The South may be justly proud that Dr. Clark, a native Teamesseam, after much labor and research has produced a really worthly medicine, which a bound to drive out much of the worthless imported trush with which the country is flooded.

Please call at our office, where we will take pleasure in showing letters and estimumials too numerous to satforth in the form of an advertisement, some of which come from physicians in high standing, who are using it in their practice, as they state, with marcelons of focus.
